25X1 1. [ ] Comment. With 767 carloads in June 1952 against 307 carloads in May 1952, the military supply traffic in the Erfurt railroad district remained almost on the same level. Supply traffic is believed normal.

25X1 2. [ ] Comment. Probably two troop shipments, which would indicate that the

3. [REDACTED] Comment. At the end of May, 35 carloads with sheet iron had already been shipped from the Bayerische Motorenwerke in Eisenach to Bindersleben where they are used for the construction of a landing field at the Erfurt-Bindersleben airfield.

25X1

4. [REDACTED] Comment. Airfields are under construction near Schoenhauser Damm, Sudicke, and Dahlwinkel.
